Route 1 – Porth Eirias to Rhyl Harbour (9 Miles)

A generally flat, safe and easy to cycle route which follows the North Wales Coastal Cycle Path (Route 5) all the way to Rhyl and beyond. It gives stunning views across the sea and takes you to places you can only get to by foot or bike. As the route is almost entirely on cycle path it is ideal for families with small children, following the well marked path all the way to Rhyl Harbour, or stops inbetween.

Distance and Time

This route is 9 miles long. At an average cycling speed, with no stops, this should take about 75 minutes to complete. We suggest you should give yourself a minimum of 3.5 hours to go there and back. However as this is a 'straight there and back route', you can decide to break the journey whenever you want.

Places of Interest

The Nature reserve at Kimnel Bay has lovely dunes habitat. The smart new Harbour development at Rhyl, including the 'Bike Hub' cafe, a great place for a drink before your ride back.
